## **Fukushima Earthquake (Japan)**

Updated: March 21, 2022

This statement is regarding the 7.4 magnitude earthquake that occurred in Fukushima on March 17, 2022. MCC and its supply chain are not impacted by the Fukushima Earthquake. MCC suppliers within Japan are out side of the hazardous area and not effected.

Our priority is to protect our supply chain and customers. We are in constant communication with our suppliers, customers, logistics service providers, and global port authorities to monitor the situation and take appropriate action as needed.

<b>California FTZ Warehouse (US)</b>
No impact
<b>Yangzhou Manufacturing Campus (China)</b>
No impact
<b>Sihong Manufacturing Campus (China)</b>
No impact
<b>Taiwan Warehouse (Taiwan)</b>
No impact

Please ask your MCC Sales Representative for information specific to your account. We will continue to provide updates as the situation evolves and more information becomes available.
